About Me

A hardworking, keen to learn, honest and fast learner person. I was involved in various activities by being a creative economic staff of BEM FIT Telkom University, specifically the chief committee of an entrepreneurship webinar and awarded as the most inspired work programme. I'm also active in designing UI/UX design, and creating illustration in Adobe Photoshop. I'm passionate about graphic design, 2D environment design, UI/UX, Digital marketing, and product development.

Skills

- Figma, UI interface, Canva, Adobe Photoshop , Adobe Illustrator, Microsoft Office, Blender, Adobe Premiere Pro, Bahasa Indonesia (Native), English (Upper Intermediate)
